(Partially lifted -
2 lifter beams)

Midi tipi

Our Midi tipis can be linked to a Big Hat to create a chillout space, or it can be linked via a tunnel to a Baby tipi.

Please be aware that the sides of a Midi tipi cannot be lifted using lifter beams (like the Big Hat), but the canvas has three zips that can be rolled up / back to create an entrance and exit.

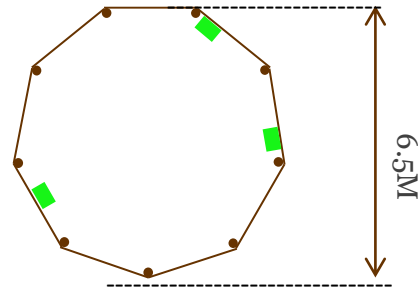

Midi Tipi

Baby tipi

Our Baby tipis can be linked to a Big Hat or a Midi tipi via a link tunnel.

Like the Midi tipi, the canvas can be rolled up / back where the three zips are to create an entrance / exit.

Tables & Benches

At The Tipi Company, we manufacturer built-to-last , quality tables and benches, right here in Lancashire.

We recommend that you seat between 6-8 people on each of our Wooden Table and Bench sets – 6 for a formal dinner with space for side plates, 8 for a more casual gathering. Customers may request a moisture of seating for their guests.

We have also included on this page round tables and chairs for your floorplans, however you will need to source these from a local supplier.
